Order No. OGC-2013-001

COUNCIL ORDER

The State Oil and Gas Council (OGC) issues through this order the establishment of the Clark-Miller oil pool as delineated on the 2.5 acre Public Land Survey System (PLSS) grid.

Additionally, through this OGC order a one (1) square-acre well spacing unit shall be established within the Clark-Miller oil pool, while maintaining a 165-foot setback distance for lease or property lines and from the pool boundary established by this order.
